

Live Webinar: HELPFUL TIPS FOR SELECTING THE CORRECT DIFFRACTION GRATING

Master Optical Gratings and Find the Best Grating for Your System!

We invite you to join this 45-minute webinar presented by Chris Palmer, Senior Director & General Manager of Optical Components Business at MKS Instruments, and Kathrin Callaghan, Product Line Manager at Edmund Optics®.

At the end of this webinar, participants will have a strong understanding of:

- The basic principles of diffraction gratings
- The different types of gratings and their advantages/disadvantages
- Which gratings are ideal for different applications
