

Invitation to the HARTING Press Conference at HANNOVER MESSE 2023 | 17 April 2023 | 4:30 pm

The visitor figures from the last few trade fairs show it - we are back in trade fair fever! We are therefore particularly looking forward to HANNOVER MESSE 2023 as the world's leading trade fair for industry. Under the fair's main theme "Industrial Transformation - Making the Difference", we will be showcasing technologies and solutions for networked and climate-neutral industry.

We will also be presenting a new product. Be there on **17 April 2023 at 4:30 pm** in **Hall 11**, on our **Stand C 15**. You are cordially invited to our press conference!

Our highlight topics:

Connecting New Energy | Connecting the Digital Twin | Excellence in Connectivity

You will receive further insights during our subsequent tour of the stand.

As so much input makes you hungry, we invite you to network at our stand afterwards - with finger food and drinks.

Please register [here](#).

You cannot be present on site? No problem, we also offer our press conference on a hybrid basis.

We look forward to seeing you!
