

Arbortext Customer Exchange – Munich, Germany

Join us for a day of networking, knowledge sharing, product updates and interactive discussions with Arbortext peers!

Date: April 10, 2024

Time: 9:00 - 17:00, networking dinner to follow

Where: Munich, Germany - House of Communication [Friedenstraße 24, 81671 München](#)

In this meeting we will discuss how organizations like yours are leveraging the digital thread for service optimization:

- Improve product and service information quality and accuracy
- Increase author and designer productivity and value
- Reduce publishing production costs and cycle-times
- Bridge the gap between Arbortext and Windchill for a single enterprise architecture
- Improve service revenues
- Improve efficiency for self-service, assembly line work, aftermarket sales and service execution

Space is limited. Register by April 1st.
