

Sunrise Period der Fan-Domain

The sunrise period of Fan-Domains will begin on October 2nd, 2018. Trademark owners with registered trademarks at the Trademark Clearinghouse are permitted to register Fan-Domains before other interested parties.

The new Fan-Domain is ideal for anyone passionate about sports, entertainment, celebrities, or the arts seeking to connect and engage with their loyal fans and followers. Companies spend billions of dollars every year on fan engagement. The Fan-Domain offers the perfect extension for this thriving category. The Fan-Domains can be used for digital ad campaigns, fan community emails, fan websites, live events and meetups, social handles and much more.
