

E-Invoicing Exchange Summit Americas

When and where

May 9 to 11, 2022 in Miami

Short Description

The E-Invoicing Exchange Summit will be held in Miami from May 9 to 11, 2022. During the conference, a great variety of presentations, user case studies, roundtables and panel discussions ensure everyone's needs and challenges will be met. Participants get an update on the U.S. E-Invoicing standardization, the design for a global interoperability framework, on technology trends such as RPA and AI as well as on legal identity solutions. Start your stay at the E-Invoicing Exchange Summit on Monday, May 9 with attending the Business Payments Coalition Workshop and the OpenPeppol Workshop. These workshops are complimentary for all participants at the conference. The conference itself will take place on Tuesday and Wednesday, May 10 and 11, 2022.

Key Topics to be covered

- + E-Invoicing as Leverage for a Digital Strategy: Global Best Practices
- + An E-Invoice Exchange Framework for the U.S. – Moving from Concept to Pilot: Update from the Business Payments Coalition
- + E-Invoicing and Continuous Transaction Controls in the Digital Age
- + Global Developments in Peppol
- + The New Frontier: E-Invoicing in Transnational Operations
- + Global Interoperability Framework - Collaboration in the Connected World
- + Effective AP Automation with RPA and AI: How and When

Attending

Registration fees start at USD 1.200, special rates for participants from public sector and typical senders of a high volume of invoices are on offer.
